B+C	£14,000	Enrichment	Specialist Performing Arts teacher	Feedback from pupils and staff, progress tracking

Spending in excess of Pupil Premium Grant

Additional Notes:

PP eligible pupils are identified for support in the above through regular Pupil Progress meetings.

Some pupils who are not eligible for PP may have similar needs and also be identified as benefitting from the same support given above. These pupils may also be included in some of the groups above.

The school also monitor eligible pupil's attendance for school trips and work to overcome any barriers that may prevent involvement. We work closely with our families to prevent any obstacles from occurring that interrupt a pupil's full involvement in usual school life.
