Puzzle 3-Piece 3- Dreams and goals

It is important to take time out of our day to calm our minds, so we feel peaceful and can learn better.

Last week Jigsaw Jo set you some challenges to choose from and you were asked to identify the steps needed to take in order to achieve your goal. This week you are going to try and complete these goals.

Click [here](#) for resources to help with these challenges.

Time to reflect- Did you complete these challenges with someone helping you and did it make it easier?

If not, do you think working with someone else would have helped you?

It is important to recognise who it is easier for me to work with and understand how working with people can help me.

Theme of the Week: The Rosary and VE day

This Friday is the 75th Anniversary of VE day, to celebrate you can have your own street party at home.

-Can you create some invitations for your family or toys to join you at your street party at home?

Rosary-

This week is the start of the Rosary. The Rosary is a form of prayer used in the catholic church. The Rosary prayer is important for many reasons including our devotion to Mary. The purpose of the Rosary is to help people remember the events in the lives of Jesus and Mary and to thank and praise God for them. Please click [here](#) for a guide on how to say the rosary.

Other Learning Activities for this week

Be kind – Can you write a thank you card to someone to thank them for helping you with your home learning or something they have done which has been kind or made you smile.

Take note – Discuss why you think it is important we celebrate VE (Victory in Europe) day? Discuss what we remember on VE day. Think about a way that you think VE day should be celebrated.
