<p>Spelling/Grammar Please click here for this week's spelling and grammar activities.</p> <p>Please log on to Bug Grammar and purple mash for further games and activities to support your learning</p> <p><u>Reading</u></p> <p>Read the story book 'Back to earth with a bump' on Twinkl Go and use code EE4073 to access the book and questions.</p> <p>Activity- What adjectives can you find in the 'Back to earth with a bump' story book?</p> <ul style="list-style-type: none"> Log on to your ActiveLearn to complete your reading book. Remember, in order for you to get a new book you need to answer all the 'bug' questions and get them correct. <p><u>Writing</u></p> <ol style="list-style-type: none"> Here is a book illustration from a book called 'The Tale of Peter Rabbit'. The drawing is of the main character Peter Rabbit. How could you describe Peter rabbit using similes and adjectives. A simile describes something by comparing it to something else, using like or as. <i>Peter's coat was <u>as blue as the sky</u>.</i> Quentin Blake was a famous illustrator for books written by Roald Dahl. One of his most famous books is called 'The BFG'. Click here to access these drawings. Can you write your own story based on one of these drawings. Don't forget to use adjectives to describe your story setting and characters. 	<p>This week we are focussing on</p> <ul style="list-style-type: none"> -Mental multiplication and division - Counting in 3's -Recognising numbers in the 3 times tables. <p>Click here for this week's activities and instructions.</p> <ul style="list-style-type: none"> -Use Top marks to practice skills linked with this week's maths focus. -Click Twinkl go and use code EE4012 for activities linked with this week's maths focus. <p>Please do ask your child to log into their Active learn (abacus) account to access resources that have been allocated to them from Maths Factor (teaching videos led by Carol Vorderman) and from Abacus on the topics above</p> <p>If you have completed your home learning for this week and would like some more maths fun please do also watch the BBC Bitesize Daily Lessons (via the link or red button) on</p> <ul style="list-style-type: none"> - Unit fractions - Non-unit fractions - Finding a half - Finding a quarter - Maths in football

RE

This week in RE we are focusing on being sorry and the forgiveness of others. We will be looking at Jesus' teachings to the disciples about forgiveness and how this can help us.

Click [here](#) for this week's learning.

Please look at the [Believe Belong Become](#) section of our website. On Sunday 7th June we celebrated Trinity Sunday, for the weekly gospel click [here](#)

PSHE

Jigsaw Healthy Me-

- It is important that we try to stay as relaxed as we can. We can make our bodies feel relaxed, let us try! Place your hands on your belly, take a deep breath in, and blow your belly up like a balloon and then let it out. Try this twice, how does this make you feel? Sometimes when we feel angry or upset, our bodies can tense up, but we can relax them with different techniques. Some people like drawing as a way of relaxing, what different ways can you think of to relax?

- We are learning that everyone can feel stressed or upset, therefore it is important to know what things can make us feel this way. When we get this feeling, we can change our body from feeling tense to relaxed. A good way of making our bodies relaxed is through yoga. Click [here](#) for some yoga techniques.

Task-Can you create your own journal/diary? You can use this diary to draw a picture and record all your feelings, thoughts, and things to be grateful for.

Theme of the Week: Children's Art Week

This week we are celebrating Children's Art week. Children's Art week is celebrated all over the UK every year, we celebrate it as a way of encouraging children, young people, families, and teachers to engage in art. This is a fantastic time for children to get creative and start making something special.

1. Harlow town is known for its sculptures and became the world's first sculpture town in 2010. Click [here](#) for some more information about these sculptures.
Activity- Can you design your own sculpture and write where you would like this to be in Harlow town and why? You can be as creative as you like.
2. Can you create a portrait of yourself using a mirror or draw someone at home? A self-portrait is a picture of one person. You can make portraits in lots of ways, using different materials, techniques, equipment, and colours. Click [here](#) for a step by step guide on how to create a self-portrait.
3. To access some interactive art activities, click [Twinkl go](#) and use code EE5673.

On the 7th June we celebrated Trinity Sunday. It is a day we celebrate that God is made up of the father, the son (Jesus) and the holy spirit, which we say when we make the sign of the cross at the beginning and end of a prayer.

Reflection- Trinity Sunday is a time we think about the importance of the holy trinity, while trying to forgive, care and love others more.

Activity 1- Can you write a prayer thanking God for the holy trinity and thinking about how you will forgive, care and love others more.

Activity 2- Can you create a symbol that represents the Holy trinity just like the ones below?

Other Learning Activities for this week

Be active – **Go Noodle** with the family or have a family workout. Fancy a dance? There are lots of dance videos you could try. Or could you create your own dance which includes 5-star jumps, 5 reaches and 5 spins.

Recommendation at least 2 hours of exercise a week.

Thank You
for your Kindness

Be kind – Can you write a thank you card to someone to thank them for helping you with your home learning or something they have done which has been kind or made you smile.

Take note – Discuss why art is important. Who is your favourite artist and why?

Connect – Perhaps you could play a board game, facetime a member of the family you have not seen this week, enjoy a family indoor picnic or have a family dinner. You could write a diary entry for one of your favourite days. Click [here](#) for a diary entry checklist.

Learn – Click [here](#) to learn about Antarctica. Would you like to visit there, if so why? What was the most interesting fact you learnt from the video about Antarctica.

Science- Click [here](#) to learn about what animals need to survive. Underneath the video you can test your knowledge with 2 tasks.

- Highlights all the things animals need to survive
- What do animals need to survive quiz.

What things do animals need to survive that are different from human beings and what things are the same?
