PSHE

Check out the PSHE lessons [here](#).

The whole school PSHE lesson this week is to create a positive comment box - fill it with positive things about members of your class, community or home and take them out every day to share when you have your meal together.

Theme of the Week: Sports week

- It should have been the Olympics this year. The Olympics is an international sports competition held every 4 years. Find out about some of the different sports that they have in the competition by playing the sports interactive word mat on twinklgo [YS1549](#).
- Why not make your own medal using the Olympic rings?

- Can you set up your own sports day? Have running or skipping races with your family? You could create your own obstacle course or have a game of ring toss?
- Wimbledon is an international tennis championship. It is the oldest tennis

tournament and it is held here, in England.

- You could try and make your own tennis rackets from a paper plate and have a go at balloon tennis (instead of a tennis ball you use a balloon).
- Look on [BBC Teach](#) at their 'let's get active' games and competitions.

See how many new words you can make from the word:
