### Topic: Neighbours

You will find the RE lesson and tasks [here](#):

Please look at the Believe Belong Become section of our website where you will find the weekly Gospel click [here](#).

## PSHE

As it is the last week of the school year, can you reflect on your last term and all your achievements from this year.

### Theme of the Week: Skills week

- Celebrate something you're good at and teach someone else. You might be able to catch a small ball without dropping it or do a cartwheel.
- Why not try something new, challenge yourself. What better time to start when you have the school holidays? You could try and ride a bike or get more confident on your scooter.
- Make a bucket list of the skills you may wish to learn over the summer.
- Ask someone to share one of their skills.

### Other Learning Activities for this week

**Be active** – Have a go at chair football. Get the family to sit on chairs and kick a football or a screwed up piece of paper and see if you can get it through each other's legs for a goal.

**GoNoodle**, **BBC Teach Supermovers**, **NHS 10 minute shake up Disney**

**Be kind** – Reflect on well you use your manners. Make sure you are saying 'please' and 'thank you' to everyone.

**Take note** – Listen to a calming song or listen to the noises you can hear outside. Maybe draw lots of squiggles and colour all the different shapes in like this.

**Connect** – Read a story with someone. This may be reading to someone else or listening to a story.

**Learn** – Have a go at some drama. Check out BBC Teach at the nine stage positions. [Click here.](#)

**Music** - Check out the BBC Teach lesson on how and why singing makes us feel good. Find it [here.](#)
