INSIDE THE CASTLE WALLS

Come on a thrilling journey of exploring old and mighty castles to beautiful palaces where Kings and Queens have been and gone. How do fancy hanging out with the castle jester and performing to royals and noblemen or becoming as strong and brave as heroic knights? Maybe you would prefer to travel back in time to when Queen Elizabeth took the throne and become the longest serving monarch ever!

ENGLISH

Throughout the topic we will be learning about:

- Traditional Tales
- Reports
- Poetry

HOOK WITH A BOOK:

The Queen's Handbag

CARITAS

This term our Caritas teaching is 'love of others-helping each other'. We will be going over the importance of helping and showing love to others. We will do this through reading books and reading bible passages such as Proverbs 3:5-6, in classroom worship and discussing how to make good choices.

SCIENCE

In this term our topic will be 'materials'. We will be exploring many different types of everyday materials such as plastic, glass, wood and metal.

D+T

In this term we will be using our knowledge of materials to help research, design and make our own castles.

HISTORY

In this term we will be going on a journey of the Queen's life through listening to stories, looking at pictures and role playing parts of her life.

BIG QUESTIONS

How do you think it felt to work as a servant in a castle?
Why do you think we don't live in castles anymore?
